To Install Covers

If you are not installing Mix 'N Move® toys, you will need to use the small covers found in your hardware bag. To insert a cover into the tray of your product, first push one side into a notch, then push in the other side.

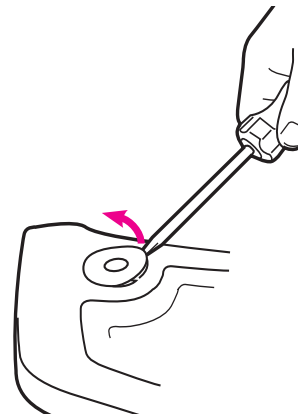

To Install Toys (toy styles may vary)

Step 1.

If you have used a cover previously, you will need to remove it.

⚠ WARNING
Remove child from product before removing covers.

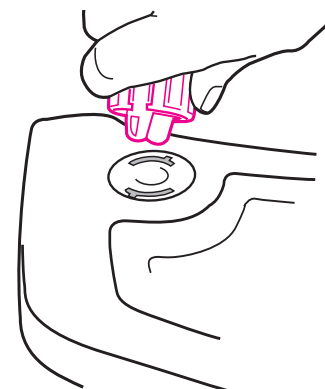

With the aid of a flat head screwdriver, carefully pry up one edge of a cover until it comes off.

⚠ WARNING
Throw the cover away immediately; it is not reusable.

Step 2.

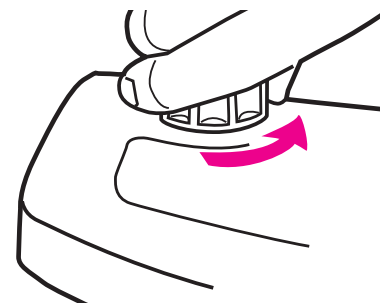

Insert the two prongs on the toy base into a toy mount at the notches.

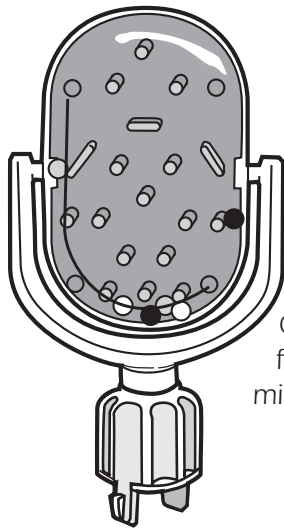

Step 3.

Turn toy base $\frac{1}{4}$ turn until you feel the toy snap into place. Check that toy is firmly inserted by pulling on the toy.

Toy is removable (turn it the other way with a little pressure) so that you can replace it with other toys when desired.
